Laufenn
Journey in Style

When the Blue that represents rational value and the Red that represents emotional value meet, the Violet of Laufenn is born. Laufenn provides smart consumers both practical value and satisfaction.

Laufenn ensures an exceptional driving experience through optimized performance – In any weather or in any season, rain or snow, summer or winter.

Laufenn provides the performance you need over a wide range of conditions – in your everyday life, under any road conditions, on or off-road.

Confident

The ability Laufenn provides is rooted in its uncompromising commitment to quality. When you go to work or head out to meet your friends... When you go on a trip or venture out to a new place... Laufenn is there with you everyday providing optimized performance and confidence.

Simple

Laufenn is Simple – with no add-ons and nothing to spoil your driving experience. Committed to the basics, Laufenn offers a pure driving experience tailored to your needs.

Open-minded

Laufenn refuses to accept an one-size-fits-all attitude. You know value when you see it and are determined to embrace new choices. Making Laufenn your choice is transforming your own value into a new trend.

Sensible

Laufenn understands your refined taste. You have an extraordinary eye for quality – all at a glance. Your choices are always solid. Laufenn expresses your excellent style and represents your fashionable personality.

X FIT Van

Commercial Van Tire

Handling

Braking

Durability

The X FIT Van provides consumers with wet/dry handling & braking, durability and better mileage.

FEATURES

- Optimized wet performance
- Secure stability and handling
- Long tread life
- Improved durability
- Designed to resist external damage

X FIT Van

Speed Symbol : T / R

S.W. : 185~235

Series : 60~75

Inch : 15"~16"

Performance Information

Handling & Braking

Braking

Handling

The X FIT Van offers exceptional handling and braking for an optimized on-road driving experience.

Safety by Braking Performance

Enhanced safety by improving wet braking performance.

3-Channel Wide Groove

The designed pattern of 3-channel wide grooves significantly reduces hydroplaning and enhances stability even at high speeds.

New 3D Lateral Groove

Enhances handling performance without sacrificing block strength.

Sipe

The design's minimized block movement ensures maximum steering stability.

Zigzag Diamond Groove

The 3D diamond cut block edge ensures excellent traction and enhances optimal handling by supporting the blocks when cornering.

Durability

Durability

The X FIT Van ensures a capable driving experience with a focus on durability.

Belt Edge Tape

Stronger bonding between the belts ensures driving stability at high speeds, and the durable structure is designed to sustain vehicle loads.

X FIT Van

Standard Tire

The RCS Construction

The special rubber material enhances structural coherence and improves durability and stability – essential factors to sustaining heavier vehicle loads.

X FIT Van

Standard Tire

Durable Contact Patch Tech

The optimal block and groove width design improves durability by maintaining even pressure.

X FIT Van

Standard Tire

Wear Life

Fuel Efficiency

Wear Life

The X FIT Van provides secure driving, from beginning to end, with long tread life.

Mileage & Fuel Efficiency

The squared-foot design ensures more tire-road contact and greater fuel mileage.

Long Mileage Carbon Compound

Smaller grain size than that found in existing materials greatly reduces energy dispersion.

2 Step Block

The design reinforces centre block stiffness and improves traction.

TIRE STRUCTURE

The X FIT Van adopts new technology for a Commercial Van, engineered for on-load performance.
