Journey in Style

A Brand by Hankook Tire

OFFICIAL  
PARTNER

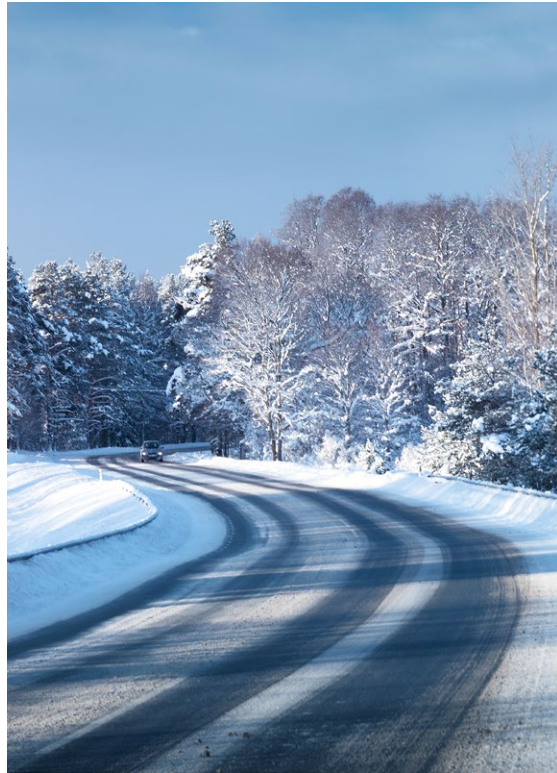

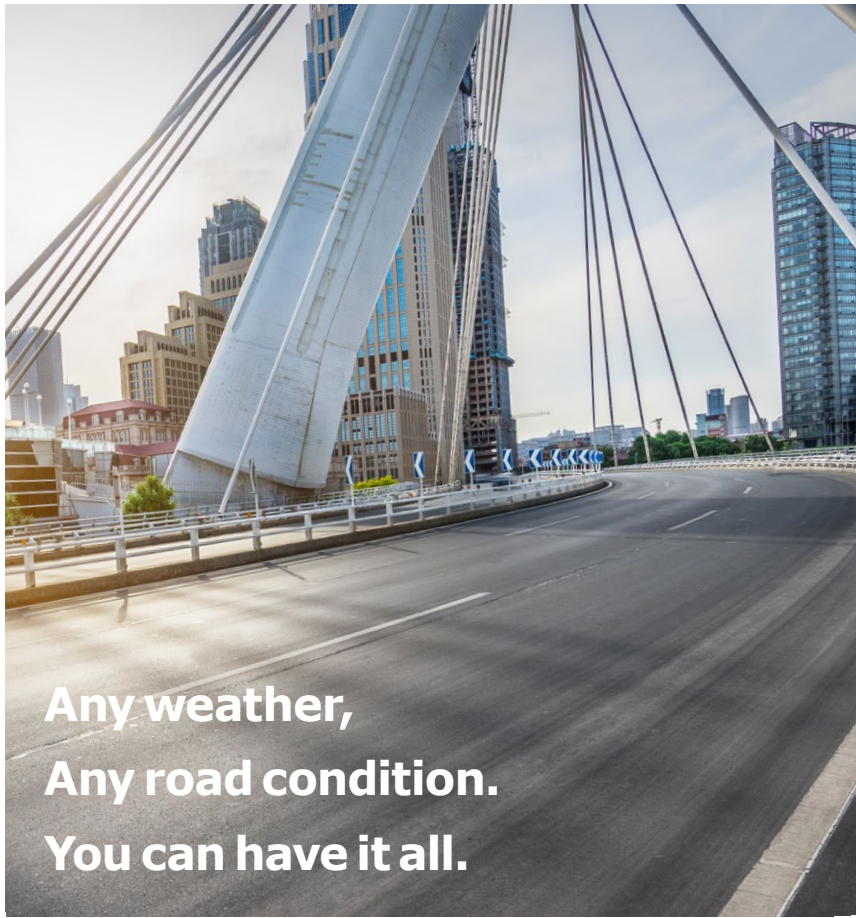

# Tyre that fits

Laufenn is a life-fit brand tailor made for drivers who appreciate safety, innovation and value in their products. Created for people with tyre affiliated lifestyle and for those who search for excellent everyday performance with competitive prices. Simplicity, Quality, and Technology are what makes the brand unique; their great performance and fashionable minimalist design allow drivers to fit Laufenn tyres to any make and model, and fulfill the need and lifestyle of customers around the world.

# LT Van All Season Multi Performance Tyre

The X FIT Van 4S is the ideal choice for drivers looking for better mileage and safety all year round.

## Property

Wet

Dry

Snow

## Benefit

Wear Life

Durability

Comfort

Fuel Efficiency

**X FIT VAN 4S**

<b>Speed Symbol</b>	R, S, T
<b>S.W.</b>	195~235
<b>Series</b>	60~75
<b>Rim Diameter</b>	15"~17"
<b>EU Label (R 2020/740)</b>	D / C / W2

## FEATURES

Optimized driving performance under any weather condition

Secure stability and handling

Improved durability

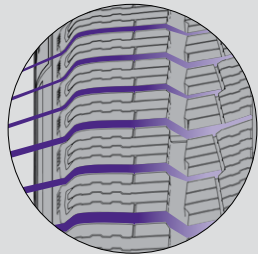

Designed to resist external damage

Improved wet & mileage performance with new compound

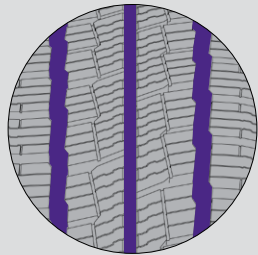

# Hybrid Performance

A tread pattern that guarantees optimum performance in various driving environments for every season and all weather conditions.

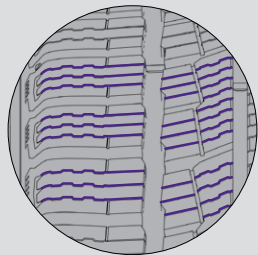

## Wider Aqua Grooves for Accelerated Drainage

The streamlined aqua lateral groove, which expands in area in the direction from the center to the shoulder (out), enhances drainage on snow-covered or rainy roads by accelerating the flow of water.

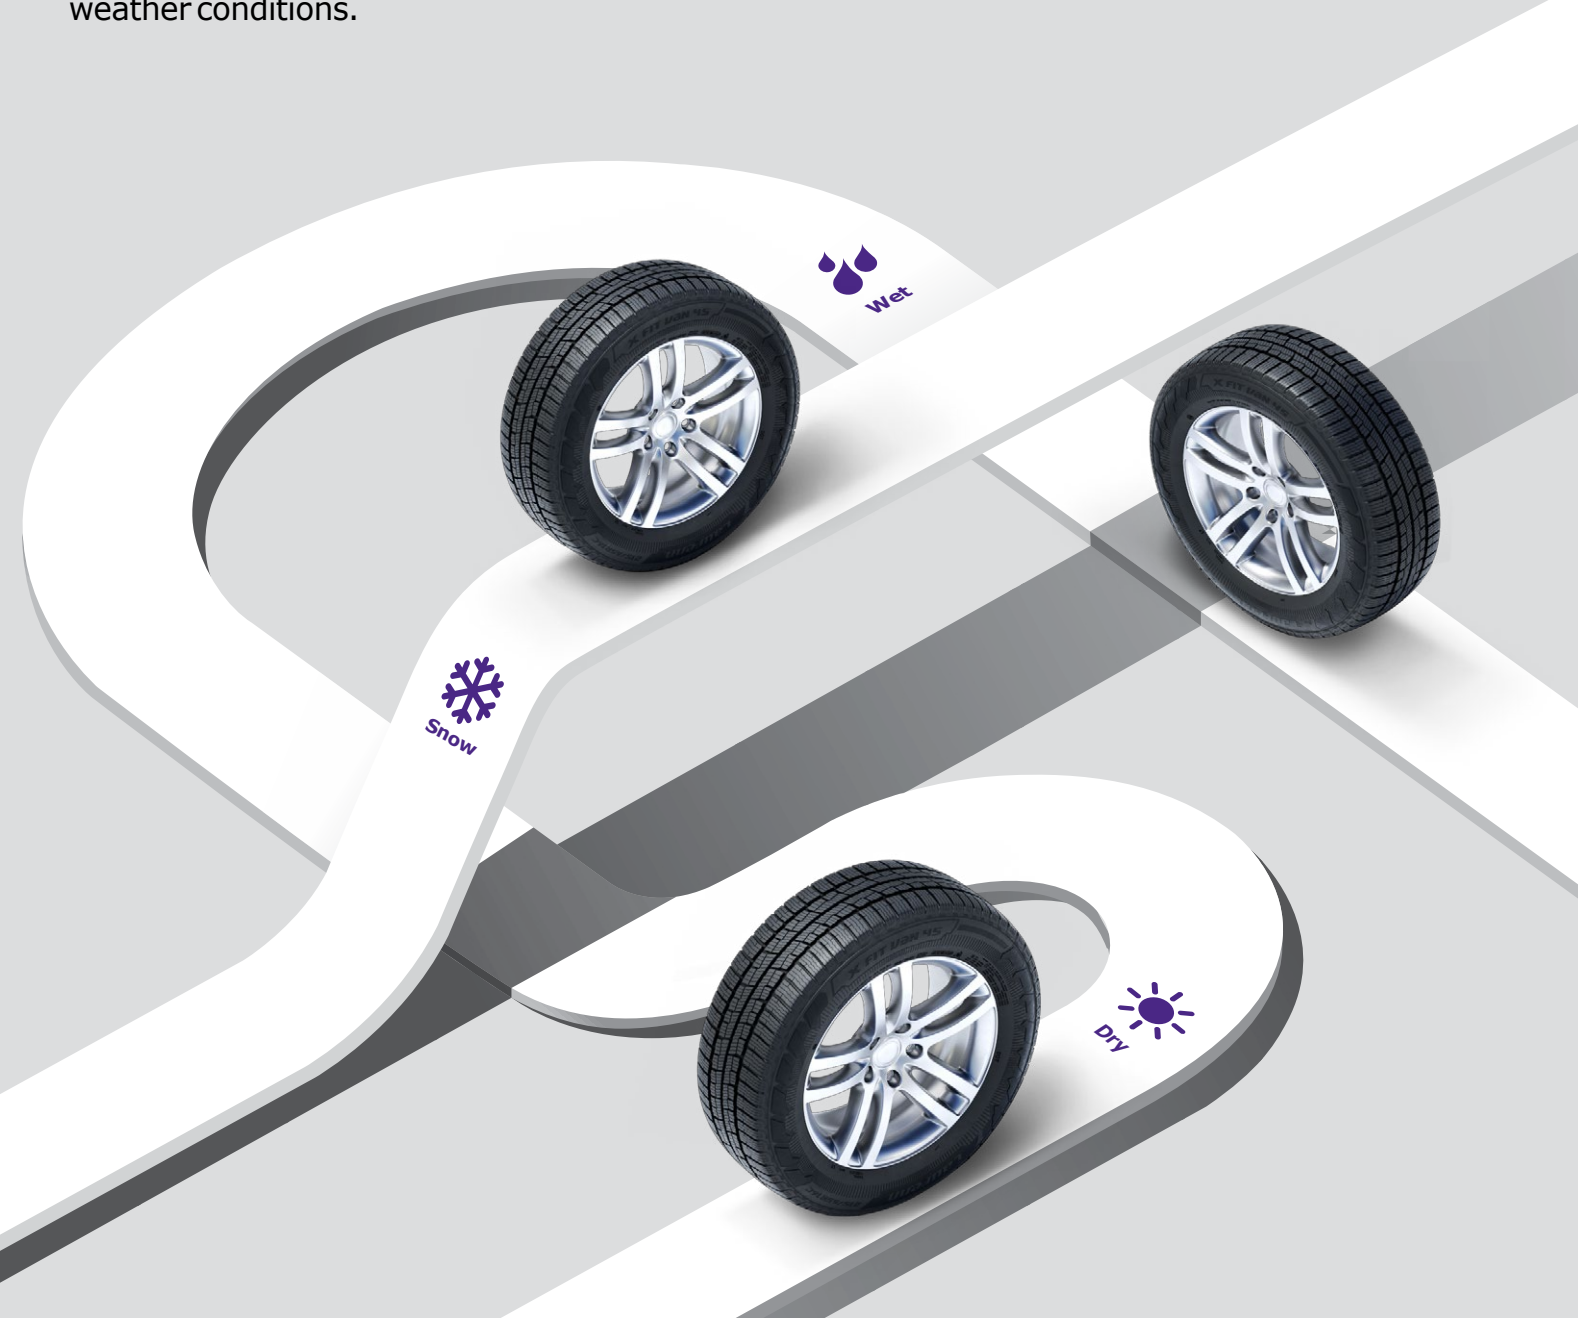

## Channel Wide & Zigzag Groove

The use of 3-channel wide grooves. the designed pattern significantly reduces hydro-planing and enhances stability even at high speeds.

## Multi Sipe

The zigzag sipe design ensures the snow & wet grip and maximum steering stability with minimized block movement.

Wear Life

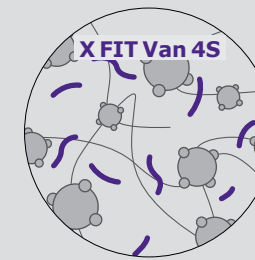

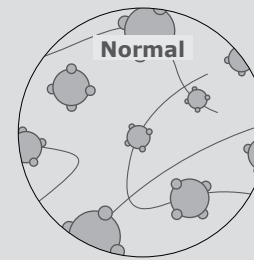

Fuel Efficiency

# Wear Life

The X FIT Van 4S ensure secure driving that lasts, with a longer tread life.

## Long Mileage & high Grip Compound

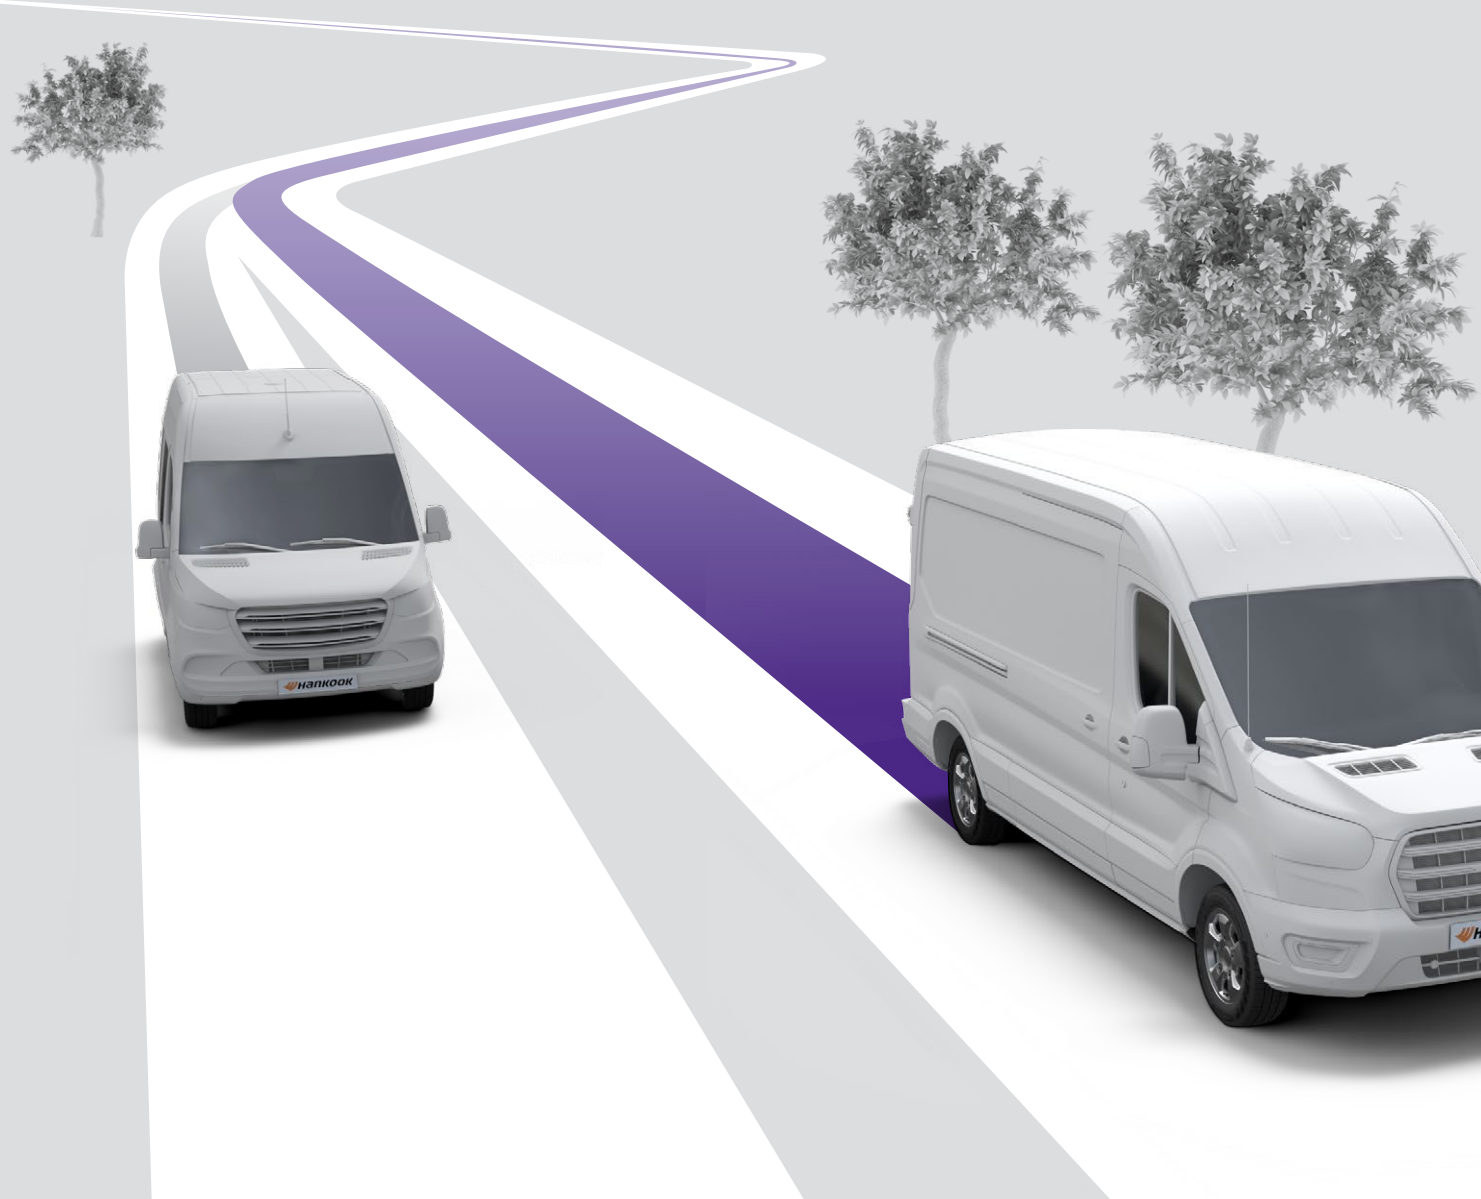

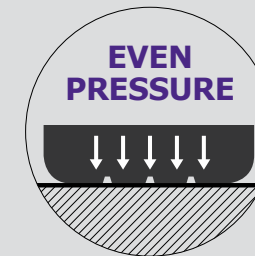

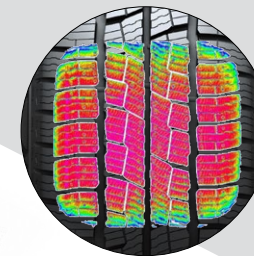

This cutting-edge compound, the ingredient of which is from nature, provides better mileage on wet & snowy roads . The compound mixing technology of Hankook Tyre is applied.

-  Polymer
-  Enhancing Additives
-  Natural Oil

## Long Mileage and Even Tread Wear

An optimized tire profile designed by advanced computer-aided simulation improves braking performance and wear by evenly distributing weight over the tire's contact patch.

Durability

### Double Steel Belt

Ensures durability for tyre.

### Reinforced Belt

Ensures durable performance through reinforcement belt layer.

### Inner Liner

Prevents air leakage and maintains the internal pressure.

### Bead Filler

Enhanced rim joint stiffness for handling performance.

### Carcass

Maintains tyre shape.

### Bead Wire

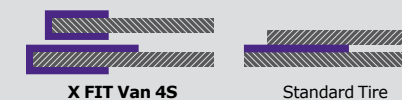

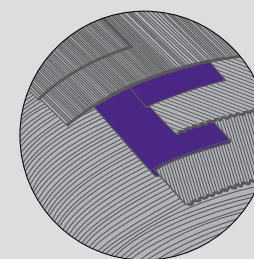

# Safety

The X FIT Van 4S adopts new technology from LT Commercial Vans, engineered for on load performance.

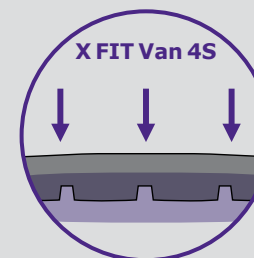

### Belt Edge Tape

Stronger bonding between the belts ensures driving stability throughout powerful acceleration, and the durable structure is designed to sustain vehicle loads.

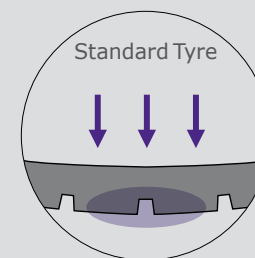

X FIT Van 4S

Standard Tire

X FIT Van 4S

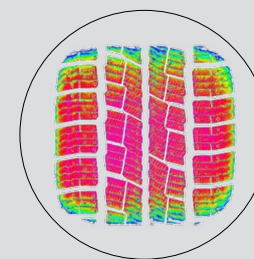

Standard Tyre

### The advanced Construction

The special rubber material enhances structural coherence and improves durability and stability – essential factors to sustaining heavier vehicle loads.

### Durable Contact Patch Tech

The optimal block and groove width design improves durability by maintaining even pressure.

# Available Sizes

## 55 Series

Size	LI & SS	Label		
		RR	Wet Grip	Wave(dB)
225/55R17C	109/107H	D	C	B(73)

## 60 Series

Size	LI & SS	Label		
		RR	Wet Grip	Wave(dB)
195/60R16C	99/97H	D	C	B(73)

## 65 Series

Size	LI & SS	Label		
		RR	Wet Grip	Wave(dB)
195/65R16C	104/102T	D	C	B(73)
205/65R16C	107/105T	D	C	B(73)
215/65R15C	104/102T	D	C	B(73)
215/65R16C	106/104T	D	C	B(73)
215/65R16C	109/107T	D	C	B(73)
225/65R16C	112/110R	D	C	B(73)
235/65R16C	115/113R	D	C	B(73)

## 70 Series

Size	LI & SS	Label		
		RR	Wet Grip	Wave(dB)
195/70R15C	104/102R	D	C	B(73)
215/70R15C	109/107S	D	C	B(73)
225/70R15C	112/110S	D	C	B(73)
195/75R16C	107/105R	D	C	B(73)

## 75 Series
