Laufenn

Journey in Style

When the blue that represents rational value and the red that represents emotional value meet, the violet of Laufenn is born. Laufenn provides transport professionals with both practical value and satisfaction.

Laufenn - exceptional 'on road' performance delivering transport partner value.

Laufenn provides the performance you need in all usage conditions, designed for transport professionals.

Laufenn offers a product for all professional transport partners

The Laufenn brand offers customers that are seeking value, quality and performance a wide range of quality products to meet a broad variety of driving conditions. No matter the season, no matter the road conditions, Laufenn will bring you reliably throughout your journey.

Manufactured by a premium TBR manufacturer

Laufenn tyres are designed by experienced engineers at state-of-the-art facilities in order to provide high tech products fitting to all the needs and expectations of demanding customers. The products are produced with the latest automated equipment at large scale ISO-certified plants, where quality is guaranteed.

Built with Quality and Reliability in mind

The Laufenn quality policy provides superior products and services to satisfy the needs of our customers all over the world. In this quickly changing world we offer you up-to-date products that target your day-to-day needs and help you to reach your destinations at ease.

The value choice for professional partners

Making sure that you can extract all of the value designed and manufactured into the tyre range. Laufenn tyres are designed to deliver maximum mileage performance, making them the right choice for the 'value' focused transport professional.

LF91

Trailer Tyre for Regional Haul Application

Fuel efficiency

Durability

Trailer tyre for regional haul application. The wide and solid shoulder design ensures high mileage and prevents belt separation. The sem-zigzag grooves increase the stone rejection and counter groove cracks.

FEATURES

Optimised pattern design for regional trailer axle.

LF91

Speed Symbol : K / L

N.S.W : 385~425

Series : 55~65

Inch : 22.5

EU Label : C~B / C / W1

Regional Trailer Tyre

Regional trailer tyre with wide tread and deep grooves provide excellent mileage.

Zigzag Groove

The groove angles with semi-zigzag design for an excellent stone ejection.

Wide and Solid Shoulder Design

Wide and solid shoulder design for long mileage and to provide belt separation. Wide shoulders improve stability and reduces uneven wear.

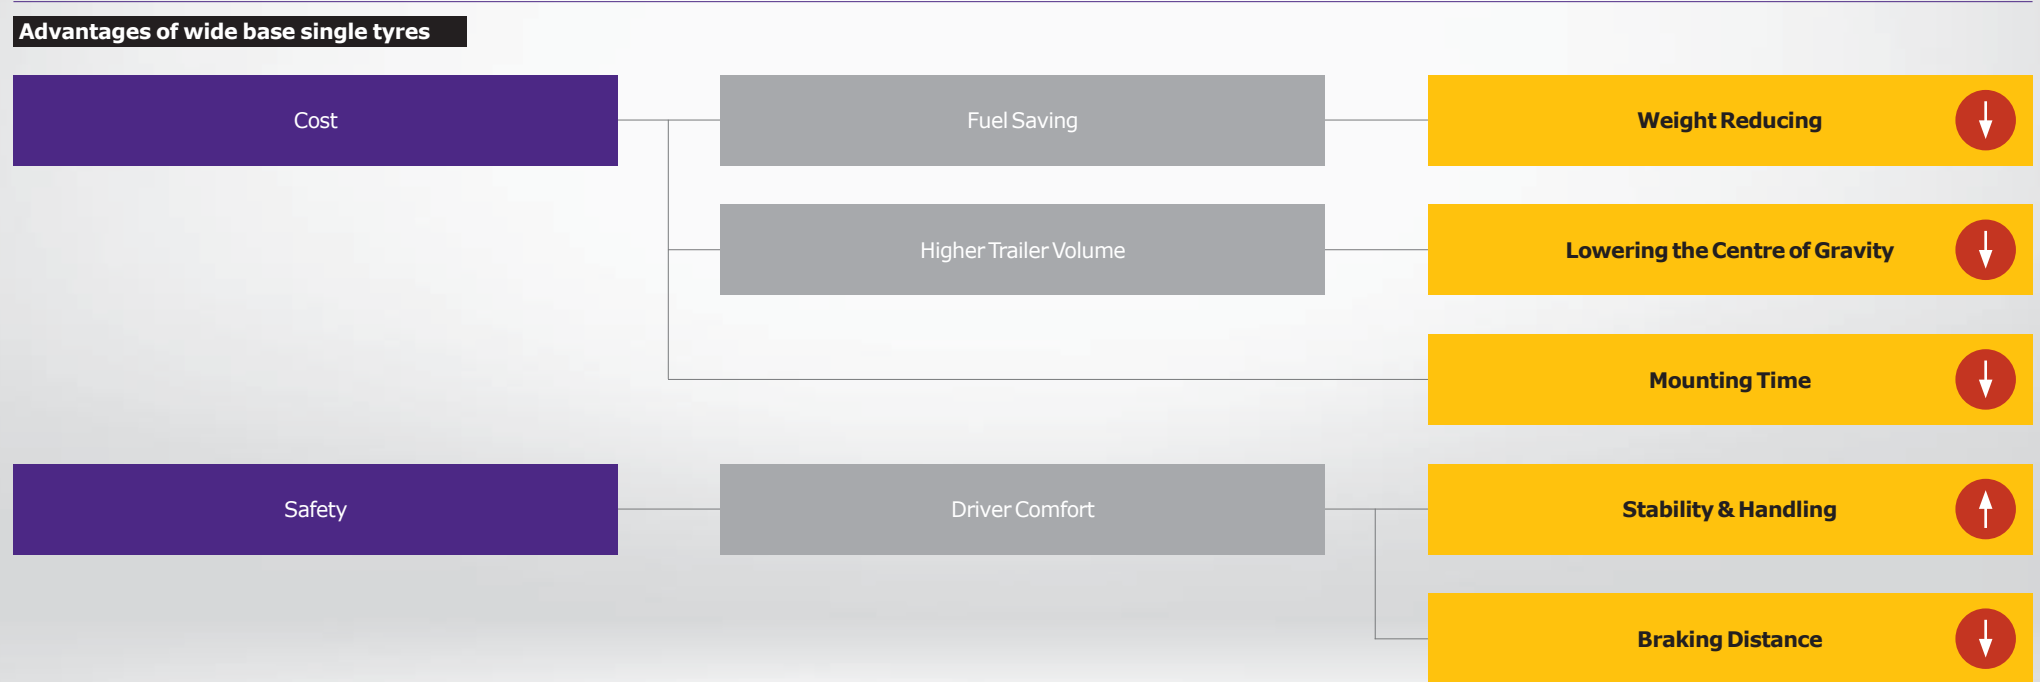

Compound Mixing System

The Innovative Mixing System (IMS) minimises the disconnection of polymer chains and oxidation.

Advantages of Wide Base Single Tyres

Wide base single tyre performance for low cost and high safety.
